A pie chart illustrating the distribution of actors and actresses in the top 100 roles. The chart is divided into two segments: a large dark blue segment representing actors and a smaller light blue segment representing actresses. The 'actor' segment is labeled with a line pointing to it, and the 'actress' segment is also labeled with a line pointing to it.

Category	Count	Percentage
actor	70	70%
actress	30	30%
